ELIMINATE SEXUAL ASSAULT:

Every Service member, at every level in our military, must know, understand, and adhere to Service values and standards of behavior in order to eliminate sexual assault, and other inappropriate behavior.

DIGNITY AND RESPECT:

A culture change where all Sailors are treated professionally and with dignity and respect means sexual assault must not happen. The goal of eliminating sexual assault within our ranks must be achieved through ownership, courage, education and respect.

DO YOUR PART:

We have to act. If we see a crime or inappropriate behavior unfolding, we need to step in to prevent it. We each need to add our voice to the call to end this crime.

KNOW YOUR PART:

Each member of our DoD community has a unique role in preventing and responding to sexual assault. We must recognize our part in stopping this crime starting with our own awareness and knowing when and where to intervene.
